

Squeegee Dream

Commercial & Residential Exterior Cleaning

Commercial and Residential Cleaning Technician

Are you ready to grow in our company, get the training you need to one day have your own business?

Opportunity Knocks! The work is tough but fulfilling -

Local Exterior Maintenance contractor is hiring career minded helper for our Window Cleaning, Pressure Washing and Gutter Cleaning Techs. We are looking for reasonable, responsible, mechanical minded, dedicated, athletic and diligent individuals who will thrive in this position.

REQUIREMENTS:

Ability to work out doors in varying weather conditions.

Ability to work supervised and unsupervised.

Primarily lead tech helper.

Able to lift up to 50lbs.

RESPONSIBILITIES:

Managing and moving ladders.

Key responsibilities will include loading and unloading tools and supplies from work truck.

Rolling and unrolling hoses.

Cleaning up debris and dumping debris into trash bins.

Paying attention and listen to/respond to varying direction during different types of projects.

HOURLY PAY:

Depends on experience - \$13-\$15 per hour

Experience does not have to be in the contract cleaning industry, but in things that show the ability to learn quickly to do this type of work. Experience can include things you did growing up or volunteer work, and/or life experiences.
